

Community News & Announcements

New Community Manager

We are pleased to announce that **Leesha Dewit** will be starting on November 5th, 2018 as Shady Park's new Community Manager. Please welcome Leesha, she is looking forward to meeting the residents and serving the community.

Regarding Trash and Yard Waste

- **Bulk Pick Up:** Bulk pick up can be arranged directly with Waste Industries by calling 866-758-7274. The Residents are required to pay up front and schedule the pick up.
- **Yard Waste:** As a friendly reminder, yard waste will only be collected if it is placed in brown paper refuse bags that can be obtained at any hardware store. Please do not place yard waste in piles, or in any color plastic bags – they will not be picked up.
- **Leaves:** The leaf process will remain the same for each phase.
- **Christmas & New Year Holiday Service Schedule:** Since Christmas and New Years are on both on Tuesdays (the regularly scheduled pick up day) the trash will be picked up the next day on Wednesday.
- **Questions?:** If you have questions or concerns please contact the Shady Park community office. Please leave a message if someone does not answer the phone and someone will get back with you.

Thank you for choosing Shady Park!
